

IN THE ABSTRACT OF THE DISCLOSURE:

Insert the Abstract of the Disclosure attached hereto into the instant application.

IN THE CLAIMS:

Rewrite the following claims:

– Claim 1 (Amended) A structure comprising:

a substrate having a surface;

a plurality of bond wire elongated electrical conductors extending away from said surface;

each of said bond wire elongated electrical conductors having a first end affixed to said surface and a second end projecting away from said surface;

there being a plurality of said second ends;

said first end and said second end of said bond wire elongated electrical connector having a ball-shaped protuberance positioned thereon;

[a] means for permitting each of said plurality of said second ends to move about reference positions. –

– Claim 3 (Amended) [A] The structure according to claim 1 wherein said means for permitting each of said plurality of second ends to move about reference positions is a sheet of material having a plurality of through-holes therein through which said second ends project, [therebeing] there being a perforation in said sheet in the vicinity of said openings. –
